Children's Miracle Network Donation Information

Miss Contestants

There is no entry fee required to compete for the title of Miss Berks County or Miss Greater Reading. Miss contestants are required, however, to make a minimum donation of \$100 to the Children's Miracle Network, the national platform of the Miss America Organization.

If a Miss contestant wishes to compete in more than one local pageant in the current pageant year, she must make a \$100 donation to the Children's Miracle Network for each local pageant in which she competes, until she reaches the donation amount of \$400. A \$400 donation makes a contestant eligible for ALL local pageants for the current year entered. Although the Miss Berks County Pageant awards two titles, it is only necessary to raise one donation of \$100.

Questions and Answers about CMN Donations

MAO National Platform Donation Roll-Over Information:

Donations, in excess of the minimum amount required for each pageant, collected by a contestant, may be rolled-over for use in multiple Local Pageants, State and National pageants within a pageant cycle. A pageant cycle starts with the Local pageant that leads to State, which leads to the National pageant for a title leading to Miss America within the pageant cycle. When a contestant starts a new pageant cycle at the Local level (which could involve several Local pageants for that cycle), no funds are rolled over from the prior pageant cycle (Miss America) and everyone is at the same starting place for fundraising.

Local Level: All contestants must register at MissAmerica4kids.org. Dual local pageants only require each contestant to have a minimum expected goal of \$100 (not \$200). Any donations collected in excess of the \$100 for Pageant 1, will automatically roll-over into the contestant's

excess account and will be used toward their fundraising goal for Pageant 2. Any excess funds from Pageant 2 will automatically roll-over and will be used toward their fundraising goal for Pageant 3, etc. The maximum donation required to enter all local pageants for the current year is \$400. If a contestant does not go on to compete in the State level, any excess funds over the \$100 per pageant entered will be equally distributed among all the local pageants the contestant competed in.

State Level: Should the contestant win a local pageant, any excess donations will automatically roll-over and be applied to the \$250 minimum required for the State pageant. Should the contestant collect donations during her state competition, then the "borrowed" excess funds from the local level will be returned to the local level for allocation under the local accounts.

National Level: Should the contestant win the State pageant, any excess donations will automatically roll-over and be applied to the \$500 minimum required goal for the National pageant.

Please note that the exact procedures shown are subject to change. Should there be a change, please follow the directions on the Miss America 4 Kids website.
